Dear Parent,

**Subject: 'GREEN Olympiad Online Examination 2021'**

The Energy and Resources Institute (TERI) invites you to participate in the prestigious environment examination, 'GREEN Olympiad' – India's premier annual school initiative being organized since 1999. The examination serves a dual purpose of testing the environment quotient of students and enhancing their understanding about issues related to sustainable development. 'GREEN Olympiad' is open for students of Std. 4 to 12, and is divided into 4 levels (Std. 4-5; Std. 6-8; Std. 9-10; and Std. 11-12).

Due to an uncertainty imposed by COVID 19, students can appear online for GREEN Olympiad. This year, GREEN Olympiad is being launched with a new feature - the examination will cover two issues of topical interest: (i) Environment and Sustainable Development (ii) Green Skills + Environment and Sustainable Development.

All participants will receive certificates based on their performance. **The last date for registration is 30<sup>th</sup> September 2021.**

Registration can be made 'Online' through the link:  
<https://www.teriin.org/olympiad/registration/>.

For further details, kindly visit the website: <https://www.teriin.org/olympiad>.
