

Birla Public School, Doha-Qatar
Circular
Back to School

Dear Parents,

This is with reference to Circular no. (5) Dated 26 January 2022 by MOEHE on 'Starting Schools with 100% on Campus attendance from 30 January 2022'.

As per the Ministry guidelines, it is mandatory for all students to take an antigen test every week (within 48 hours) and report to school with the duly filled declaration form. The declaration form has been uploaded on the school website - <https://bpsdoha.net/news-updates/155-declaration-form>. Kindly fill in the same and submit it to the class teacher. The entry into school bus is strictly on show of the signed hard copy of the declaration form.

Kindly adhere to the following protocols –

1. Students are to wear masks at all times and carry an extra mask in their bag.
2. Social distancing and the class bubble to be maintained at all times.
3. Parents should check the health condition of the students, like temperature, sneezing, coughing etc. before sending the students to school.
4. In case of a Covid positive student, kindly email immediately to the class teacher and covidinfo@bpsdoha.com. In such cases, the student can continue attending online classes.
5. Students to carry their own snacks and water bottles, extra if required.
